

NORTH POLE

Healthy Holidays!

Between the kids' penchant for spills, indoor pets and your mother-in-law's allergies, the holidays may not seem that merry this year.

Don't give up yet - Xtrax can remove the stains, pet dander, dust, pollen and more. Our EPA-registered and Green Seal-approved cleaning system will ensure that your family isn't bothered by the dust and allergens that can settle in your carpet.

At Xtrax, we don't use the harmful chemicals or

drown your carpet as others may.

We use only environmentally safe materials that will not bother pets, children or the elderly. Our cleaning methods will leave your carpet clean, dry and ready to use.
