

Give her a healthy squeeze for Mother's Day!

She's bandaged your cuts and scrapes and you've given her hugs. Now you can give her a squeeze that just might save her life. Chattanooga Imaging is the only place in the area to offer both Digital Mammography and Breast MRI.

It's **YOUR** family
It's **YOUR** choice

Chattanooga Imaging leads the region in Medical

Imaging for a reason. We have certified specialists in each field. And now thanks to the latest in computer technology, your physician can even view your images from the comfort of his or her office.

Moms give more than anyone sees. Mom has given you so much. Why not return the favor?
